Message From CEO

GoFreight International has growing reputation as a Provider of total solutions for logistics needs.

The clearing and forwarding industry in addition to transportation and logistics are ever changing and becoming even more sophisticated, Players of these industries have to constantly innovate and upgrade their operating methods to serve their clients more efficiently and cost effectively.

“To continue to earn a reputation of integrity, service and diversity that is unmatched in our industry, The Dependable Difference.

In order to achieve these lofty objectives, we must hire and retain only the most qualified and dedicated individuals who share The Company’s vision.”

Our status as a diversified, premiere third party logistics provider is dependent upon our ability to provide only the highest level of service to our customers, maintain a necessary profit margin, and to recognize opportunities and react to changing market conditions well ahead of our competition.

I am extremely proud of our staff and what they have accomplished. Feel free to get in touch with us to serve you.

Ahmad Ibrahim

“ Logistics Experts Can Often Provide More Efficient Solutions ”

“ Premium logistics gate ”

Overview

Gofreight International established in used its local expertise to cross international borders and serve an ever expanding global market, especially in Europe, Asia and North America, over a highly qualified team of Egyptian staff we have established ourselves as a traditional and leading Freight and forwarding Company.

We also offer a diverse portfolio of freight and logistics solutions. Our core specialties also includes Port/border clearance and road transportation from all ports, The efficiency and effective manner in which we work has made Gofreight to be the number one option in this industry.

We believe with our strategic planning, we offer complete service to all our clients in the logistics and forwarding services in Egypt, into and from the World. We also have a new truck parking area which can accommodate 10 to 20 trucks with facilities for driver parking at our yard. Fortified by the highly demanding nature of the business, we have evolved to become a total regional supplier of global logistics.

Our Vision

To grow and be considered as one of the most reliable & flexible freight & logistics company that serves freight forwarding plus transportation and logistics segments in an exceptionally professional short-timed, and quality consciousness manner.

"The flexibility to best meet our customers, requirements grows out of the stable structures that are a key feature of Go freight as a company."

Our Mission

More than 'just another supplier'

Our mission is very simple – to be the very best at what we do, to be renowned for the very highest level of service and impeccable communication. We are continually seeking to improve individually and collectively. We aspire to be innovative in our solutions for our customers, and to be an extension of their business and more than **“ just another supplier ”**.
